PATTERN PROFILE

MOTIVO MODERNO

PCRT MM100 & MM200: The Molisano

Patterned Concrete®'s PCRTMM 100 and MM200 are a selection of subtle delicate fine textures, refined with crisp tight joints to resemble Europe's finest eclectic masonry finishes. This texture is excellent for pedestrians and vehicles. This pattern is available in small format (PCRT MM100) and larger (PCRT MM200) formats. Both formats share the same joints and subtle yet striking texture. Specify PCRT MM100 or MM200 for a unique modern decorative concrete finish.
