PATTERN PROFILE

MOTIVO MODERNO

PCRT MM300: The Linea

Motivo Moderno PCRT MM300 features a soft blend of graceful linear movement. This striking design is a good fit for a sleek, modern style. Characterized by its elegance, this pattern is simple yet captivating. PCRT MM300 is a refined and abstract take on a simple wood plank stamp. The large format is well-suited to pool decks and outdoor living spaces. The pattern can be placed in a staggered format, a stack bond format, or a running bond format
